## Trip Details

We will be scheduling actual trips in due course, however to ensure we create the appropriate trips for all attendees, we require an indication of what trips you are likely to want to attend.

Using the **MELBOURNE JEEP OWNERS CLUB TRACK CLASSIFICATIONS** (provided as the last page of this application) as a guide, please complete the table below with an indication of what trip gradings you and your Jeep may be suitable to attend at various times across the Event.

Keep in mind that wet weather will very quickly make tracks more difficult.

Also be aware that there are plenty of activities onsite to both participate in and be a spectator for planned, including Jeepkhana, Mud Run, Jeep Test Track, Jeep 101 Training, Jeep test drives, Rock Crawling and plenty more.

All evenings should have some kind of entertainment.

The National Jeep Jamboree Victoria 2010 Committee and Trip Leaders will have the final say on whether you and your vehicle are suitable to attend appropriate trips.
